Re: application for affiliate status

Dear Dr. Pluye (and other Executive and Board members of MMF),

It gives me great pleasure to report to you that the MMIRA Board has accepted your application for affiliate status. We look forward to furthering a close association between the two organizations, to our mutual benefit. It is our hope that you will proceed with your plan to cross list MMIRA on your website; if you do so please consider including the logo attached in a separate file.

Yours sincerely,
